Education and Works in Theater, Photography and Film

Tara Demircioğlu completed her Theater Education at Beykent University Fine Arts Faculty, Akademi Kenter, and Pera Fine Arts School. She has worked as a Drama Teacher and trainer for Theater Club and Photography Club at various schools.

Tara attended the Storytelling workshop at Theater Bereze. Following her participation in the "Poetic Comedy: A Clown Research" workshop under the instruction of Güray Dinçol, she took on the role of assistant and photographer for the workshop. Through the Istanbul City Culture Department, she performed in the "Oynaya Oynaya" project organized for children in disadvantaged neighborhoods.

Tara directed as cinematographer the production of Hangardz digital theater Kantsı in 2022.
